Step by Step Instructions

Step 1

Start by cutting the Happy Big Bold Word die out of black card and glue it to a piece of clear acetate.

Step 2

Working from the reverse side, use the Pearl Tints to fill in all of the letters. The colours used were Chateau Rose, Blue Diamond, Racing Green, Canary Song and Heavenly Pink. Put to one side to dry.

Step 3

Cover a piece of white card with a sticky adhesive sheet, then peel the backing paper off and coat it with Frosty Sparkle Glitterbitz

Step 4

Cut a white card frame from the Clipped Corner Rectangles die that fits neatly around the happy letters and attach it with mounting foam.

Step 5

Next add the frame piece to the glittered background.

Step 6

Stamp the Birthday sentiment with a Black Archival ink pad and cut it out with a tag die, then add it to the lower corner of the card.

Step 7

The card was completed with white mats and layers, finished dimensions are 7" x 8¼".
